**A LAYAWAY PLAN FOR A CONFERENCE?**

Yes, that's right! Coming up with the money for the MicroConference at the last minute can be rough. So, just like Wal-mart or a Christmas Club, now you have a chance to make 5 monthly payments to cover your conference costs!

**HOW WILL IT WORK?**

Simple, just follow these 5 easy steps and you'll be on your way to this year's conference!

1. Decide how many nights you will need to stay at the hotel.
2. Decide how many roommates you want to have in your room.
3. Look over the choices in the box and pick the one that matches your needs.
4. Write a check out for your first monthly payment and mail it to the address on the back of this form.
5. Pay your next payments when you get the conference bill in the mail. Pay your next payments when you get the conference bill in the mail.

Remember: you will still need to plan your transportation to the conference and your support people will need to pay the conference fees, too.

**Finally, you will still need to fill out the conference registration form when you finish paying so we will know who your roommates will be and any special help you might need.**
